Jeff started by demol

cabinets and removing the old wall studs. He's upgrading the water heater, which is both electrical and plumbing.

Jeff worked with a couple of guys to help us with the electrical and Web Stat

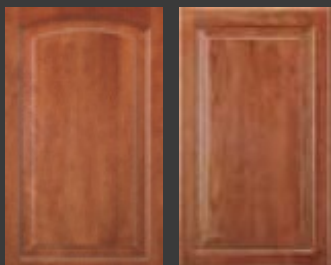

Additionally in the dining room, because it was installed too close against the code and the only solution was to install tempered glass windows, which meant having to re-wall of the house.

Correct 7002, 92 enu J

We ordered our kitchen cabinets and should be in soon, though next week. Jeff picked out some Depot. We got the American Wood collection in Cherry Spice. The kitchen with the stainless steel out our flooring and countertops. Jeff also bought some of the custom molding on the cabinets, pulls, as well as a kitchen sink,

drayon, 13 yaM

At the time was moving through the house. A little in terms of being able to clear it

After we got the keys, we discovered a jungle with 5 foot tall weeds.

We spent Memorial Day Weekend cleaning out there all three days. Candy came to help us on Monday. progress. But there is still a lot looks really great.

We had a 9' x 9' tarp that we were on. By the end of the weekend, the taller than me.

After two long months, we finally  
We made an offer in March. We finally  
seller's bank at the beginning of  
foreclosure and the seller owed  
what we offered (and what the house  
result the seller's bank had to agree  
were going to have to eat a log of  
Fortunately they agreed to it, so

The house had been vacant for several  
went over there on Saturday to do  
the house, there were a lot of weeds  
needed to be dealt with. We're not  
June, so we have some time to get
